A TERRIFIC STORM

Three Persons Known to Be Dead and Many Others Were Injured in New York.

WIND OF EXTREME HIGH VELOCITY

The Lightning Played Continuously For an Hour or More and Many Buildings Were Struck.

There Was Almost a Panic Among Thousands of Men and Women Who Had Gathered to See a Baseball Game.

New York, July 3.—A terrific storm Thursday followed a period of intense heat. There were four deaths from the heat Thursday and a score or more of prostrations. Already three deaths, directly due to the storm, have been reported, and many persons caught in the fury of the wind were injured.

At one time the gale blew at the rate of 72 miles an hour in the upper part of New York, according to the weather bureau. Many places were struck by lightning, which played continuously for an hour or more. A great section of the Manhattan field fence was blown down and there was almost a panic among the thousands of men and women who had gathered at the Polo grounds adjoining to witness the New York and St. Louis baseball game. The Polo grounds were flooded with a foot of water, the game was off and the attention of the officials and police was directed to getting the half panic-stricken baseball spectators to a place of safety.

A wind of extremely high velocity swept from west to east, uprooting trees, smashing plate-glass windows, blowing pedestrians from their footing and doing all kinds of damage. Rain and hail fell in torrents. Fannie Kinsler, 6 years old, blinded by the rain, ran under a wagon and was killed.

John Dominick, a laborer, was knocked into the East river by a plank which had been picked up by the wind and he was drowned.

The wind swept the embers of a bonfire, kindled by a number of boys, over the pinafore of Clarence Halden, 3 years old, and he was burned to death.

Miss Mary Carman was dashed by the wind against the Flatiron building and so severely injured that she had to be taken to the New York hospital.

Among the places struck by lightning or damaged by the gale were the Church of the Divine Paternity in Central Park West, the Hotel Normandie, the Lancaster apartment house in West End avenue and the Arbuckle building in Water street.

A squall overturned a catboat at Sandy Hook. Launches from Sir Thomas Lipton's yacht Erin were sent out at once to the boat's assistance, and several men and women were rescued, and the catboat was taken in tow.

IMPORTANT CAPTURE.

Supposed Horse Thieves With Arms and Burglar Tools.

Covington, Ky., July 3.—The Covington police made an arrest Thursday night that may turn out to be an important capture. The information leading to the arrest came from Richard Warmford, a former resident of Covington, but now a farmer living in the northern part of Boone county. Warmford left home early Thursday to come to Cincinnati. Before leaving for home he received word that a man and woman, who had stopped at his home Wednesday night, had hitched up his best horse and were headed toward Covington. Warmford hurried to Covington police headquarters and stated the facts. Notice was sent out to the night patrolmen, and at 11 o'clock Lieut. Finnegan and Officer Flavin ran into the couple at Fourth and Bakewell streets. They ordered the couple to stop, but the demand was unheeded. The officers then drew their guns, a move that caused the man to rein up. They were taken to police headquarters and searched. On the man, who gave his name as John Graham, was found two big dirk knives and an ivory-handled revolver. The fellow also had a lot of burglar tools in his possession. The woman, who is big and muscular and tanned from exposure, gave her name as Mary Ann Graham, and claimed to be the wife of her companion. Both prisoners look to be capable of doing desperate work. Graham told the officers that he and his wife were on their way to West Virginia. They were both locked up charged with horse stealing. The horse and buggy were held for Warmford, who will be on hand Friday to appear against the prisoners.

BLIND TIGERS.

Two Men Arrested and Fined at Jackson, Ky.

Jackson, Ky., July 3.—On warrants issued by Police Judge Cardwell Thursday afternoon Provost Marshal Longmire arrested Dennis Hayes and John Bailey, operators of blind tigers. Each confessed and was fined \$50 and costs and given ten days in jail.

A warrant was also issued for Goodloe Combs, who runs a drug store, illicit whisky selling being the charge. He was out of town but the warrant will be served on his return. Though Breathitt county is local option, whisky has been sold openly for several years.

It is held responsible for murders and lawlessness and Judge Cardwell has determined to rid the county of the blind tigers and the step Thursday is in line with this purpose.

He was one of the principals in the Hatfield-McCoy feud and is alleged to have tied a McCoy youth to a tree and shot him. Messer said he was innocent. ALL KINDS OF

FIRE

With a good Gas Range you can cook your soup over a slow fire, which it needs, and your roast over a quick fire, and both at the same time. How can you do this anyother way than with a GAS RANGE?

Gas Ranges At Factory Cost Price!

Never was such another opportunity afforded you to obtain so much value for the same money. During the month of June the Gas Company will, if so desired, make a written agreement with any purchaser of a Gas Range to the effect, that, if on the first day of August, said purchaser shall have become dissatisfied with the use of their Range, either for the reason that it will not do the work as represented, or that it costs too much to operate, then the Gas Company will take back the stove and refund any money paid upon its purchase price. The only thing to prevent you taking advantage of this offer is that the Ranges are sold quicker than they can be connected up, so if you are thinking of buying one, now is the time to decide. Over twenty installed during May and not a single complaint. For further particulars see the Gas Company and sample Ranges at Langfels & Co.'s.

NOW IS THE TIME TO GET
